

Security Evacuation Benefit Rider

This Rider is attached to and made part of your Policy. It applies only with respect to Occurrences that take place on or after the Policy effective date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

If, as a result of an Occurrence that takes place during an Insured Person's Period of Coverage and while traveling outside his or her Home Country, an Insured Person requires a Security Evacuation, the Company will pay benefits to Transport the Insured Person to the Nearest Place of Safety. The determination that an Insured Person requires a Security Evacuation must be made by a Designated Security Consultant and all arrangements must be made by American International Assistance Services, Inc., (AIAS).

Benefits will be payable for eligible expenses up to a Maximum of \$100,000. Eligible expenses are for Transportation and Related Costs to the Nearest Place of Safety necessary to ensure the Insured Person's safety and well-being as determined by the Designated Security Consultant. Security Evacuation benefits are payable only once per Occurrence.

Benefits will also be payable for Transportation and Related Costs within 14 days of the Security Evacuation to either of these locations as chosen by the Insured Person :

1. back to the Host Country if return is safe and permitted; or
2. the Insured Person's Home Country; or
3. where the educational institution that sponsored the Insured Person's trip is located.

This benefit is subject to the overall Maximum stated above.

Benefits will be payable for consulting services by Designated Security Consultant for seeking information on Missing Person or kidnapping cases if the Insured Person is deemed kidnapped or a Missing Person by local or international authorities. This benefit is subject to the overall Maximum stated above.

AIAS must make all arrangements and must authorize all expenses in advance of any benefits being payable. AIAS is not responsible for the availability of Transport services. Where a Security Evacuation becomes impractical because of hostile or dangerous conditions, a Designated Security Consultant will endeavor to maintain contact with the Insured Person until a Security Evacuation becomes viable.

Right of Recovery

If, after a Security Evacuation is completed, it becomes clear that the Insured Person was an active participant in the events that led to an Occurrence, the Company has the right to recover all Transportation and Related Costs from the Insured Person.

Changes in Terms and Conditions

The terms and conditions of this Rider, including but not limited to the definition of Excluded Countries, may be changed at any time to reflect conditions that, in the opinion of the Company, constitute a change in the Policyholder's security evacuation exposure. The Company will give the Policyholder written notice of any change in the terms and conditions of this rider at least 30 days in advance of the effective date of the change.
