Coverage under the Policyholder’s Policy must remain continuously in force from the date of the Covered Accident or Sickness until the date treatment, services or supplies are received for them to be a Covered Expense. A Covered Expense is deemed to be incurred on the date such treatment, service or supply, that gave rise to the expense or the charge, was rendered or obtained.

“Covered Loss” or “Covered Losses” means an accidental death, dismemberment, or other Injury covered under the Policy.

“Covered Person” means any eligible person, including Dependents if eligible for coverage under the Policy, for whom the required premium is paid. If the cost for this insurance is paid for by the Policyholder, individual applications are not required for an eligible person to be a Covered Person.
